PORSCHE SPRINT CHALLENGE CENTRAL EUROPE

**Welcome to the PSCCE Season
2026!**

LECHNER RACING WILL BE STAGING THE SERIES IN 2026 FOR IT'S EIGHTH SEASON AS THE OFFICIAL AND EXCLUSIVE LICENSE PARTNER OF DR. ING. H.C. F. PORSCHE AG.

After a successful start in 2019, the Porsche Sprint Challenge Central Europe goes into it's 8th season in 2026. The season will feature 6 racing weekends at the most prestigious race tracks in Central Europe including Formula 1 venues Hungaroring and Red Bull Ring. Each racing weekend consists of two Sprint Races, 25 minutes each, and one Endurance Race of 60 minutes. All 18 races can be tackled individually or as a driver pairing with competition for everybody in the different classifications.

On track there will be only GT3 Porsche 992 cars, so the series completely relies on the same equipment used in the famous Porsche Mobil 1 Supercup series. True to the slogan „bring your family and friends“ the PSCCE Hospitality featured at each event provides the perfect platform to host sponsors and business partners. All official practice, qualifying and racing action will be scheduled on Fridays and Saturdays.

PARTNER & SERIES SPONSORS

*Lechner***Racing**

Mobil 1

Sponsors of drivers and teams connect their brands to the Porsche marque and use the championship as a communication platform for both business-to-consumer and business-to-business activities.

In addition to the huge brand exposure sponsors achieve, it provides ample opportunity and scope for use in sponsors' wider marketing communications as well as possible business-to-business activations.

Partnership activities include but are not limited to: PR, customer communications, product placement, race weekend hospitality, display cars for events and business-to-business networking.
